

STETSON UNIVERSITY

RESIDENTIAL LIVING & LEARNING

EMILY HALL

WELCOME TO EMILY HALL

Emily Hall is a three-story residential building, offering shared-occupancy rooms that share a suite-style bathroom. This building has three wings; North, Main and South. It houses primarily upper-class students and is centrally located on campus within steps of the Carlton Union Building (CUB).

TEST YOUR ACCESS

Your Student ID will grant you access to your building and your key will access your bedroom. If you have trouble with your key or accessing your building, contact our office at 386-822-7201.

SECURE YOUR SPACE

Help create a safe space for you and your fellow residents by ALWAYS locking your door and reporting suspicious behaviors to your RA, Residential Life Coordinator or Public Safety.

If you lose your key or Student ID, visit the RL&L office ASAP to request a replacement. We can disable your Student ID until a replacement is provided.

COMMON SPACES

Common spaces are great for studying, hanging out with friends, or just relaxing in between classes! The Emily Hall community lounge is on the second floor of the Main wing. This popular spot offers comfortable seating, a large TV, board games, a pool table, and more! In addition, there are several quiet study rooms tucked away in each wing of the building.

COMMUNITY KITCHEN

Your community kitchen is located on the first floor of the Main wing. Please keep in mind that your fellow Hatters use this space, so be sure to clean up after yourself! You should always label food you store in the community fridge with your name or room number.

COMMUNITY LAUNDRY

Laundry is free to campus residents! The laundry room contains multiple washers and dryers to support your community. Your laundry room is located on the first floor of the Main wing.

SUITE BATHROOMS

Emily Hall residents enjoy the added privacy and convenience of a suite-style bathroom, joining two shared bedrooms. Cleaning of suite-style bathrooms is the responsibility of the residents assigned to the suite, so be sure to bring your cleaning supplies!

TRASH/GARBAGE

The facilities staff work hard to keep your building and common spaces clean and free of trash and debris. Please do your part by not leaving trash or boxes in the hallway or community bathrooms. All Hatters should do their part to keep their residence halls clean and beautiful! Dumpsters/Compactors can be found on the East side of Emily Hall across from Rinker Field.

RECYCLING STATIONS

Every building/residential area is equipped with a recycling station outside. Bins are provided for plastic/cans and paper. Please be sure to breakdown all boxes so they can be easily collected by our facilities team!

RESIDENT INTERNET

Our residential internet service is provided by myResNet, the premier provider of residential network wireless internet. Students can create an account and password to access the residential wifi network by visiting <https://stetson.apogee.us/> and sign in with your Stetson Username and Password. You can also request wifi support on this website and even chat with a service team member.

MAINTENANCE REQUESTS

Our university facilities team handles requests for paint, maintenance, plumbing, electrical, custodial issues, and pest control within our residential buildings. Students can submit requests regarding these concerns by submitting a Maintenance Request online through [myStetson](https://myStetson.com).

FIRE SAFETY

Every building is equipped with a fire alarm/alert system and our staff conduct fire drills every semester. These systems are sensitive, so avoid using aerosols near the detection units in your room, do not leave the kitchen if cooking to avoid burning food, and do not hang anything on or cover the units.

**Emergency Evacuation Location:
Wilson Athletic Center Parking Lot**
