

STETSON UNIVERSITY

RESIDENTIAL LIVING & LEARNING

HOUSES A - E

WELCOME TO HOUSES A - E

Residential Houses A - E are two-story houses on campus, offering shared-occupancy rooms and community bathrooms. Houses A - E are home to our Greek Organizations, housing members and providing chapter rooms for meetings and events..

TEST YOUR ACCESS

Your Student ID will grant you access to your building and your key will access your bedroom. If you have trouble with your key or accessing your building, contact our office at 386-822-7201.

SECURE YOUR SPACE

Help create a safe space for you and your fellow residents by ALWAYS locking your door and reporting suspicious behaviors to your RA, Residential Life Coordinator or Public Safety.

If you lose your key or Student ID, visit the RL&L office ASAP to request a replacement. We can disable your Student ID until a replacement is provided.

COMMON SPACES

Common spaces are great for studying, hanging out with friends, or just relaxing in between classes! The first floor of Houses A - E include the organization's chapter room. These spaces are used by each organization for meetings and events unique to each group. The chapter room contains recreational equipment, lounge furniture, and electronics provided by the organization for its members to enjoy.

COMMUNITY KITCHEN

Residents are provided with a community kitchen on the first floor of these houses. Please keep in mind that your fellow Hatters use this space, so be sure to clean up after yourself! You should always label food you store in the community fridge with your name or room number.

COMMUNITY LAUNDRY

Laundry is free to campus residents! The laundry room contains multiple washers and dryers to support your community and are located on the first floor in each house.

HOUSES A - E

SUITE BATHROOMS

Houses A - E provide residents with community bathrooms on the first floor. Our facilities team cleans the community bathroom twice a week, checking to ensure paper products are fully stocked and each bathroom and shower stall has been cleaned and sanitized.

TRASH/GARBAGE

The facilities staff work hard to keep your building and common spaces clean and free of trash and debris. Please do your part by not leaving trash or boxes in the hallway or community bathrooms. All Hatters should do their part to keep their residence halls clean and beautiful! Dumpsters can be found between the houses.

RECYCLING STATIONS

Every building/residential area is equipped with a recycling station outside. Bins are provided for plastic/cans and paper. Please be sure to breakdown all boxes so they can be easily collected by our facilities team!

RESIDENT INTERNET

Our residential internet service is provided by myResNet, the premier provider of residential network wireless internet. Students can create an account and password to access the residential wifi network by visiting <https://stetson.apogee.us/> and sign in with your Stetson Username and Password. You can also request wifi support on this website and even chat with a service team member.

MAINTENANCE REQUESTS

Our university facilities team handles requests for paint, maintenance, plumbing, electrical, custodial issues, and pest control within our residential buildings. Students can submit requests regarding these concerns by submitting a Maintenance Request online through [myStetson](https://myStetson.com).

FIRE SAFETY

Every building is equipped with a fire alarm/alert system and our staff conduct fire drills every semester. These systems are sensitive, so avoid using aerosols near the detection units in your room, do not leave the kitchen if cooking to avoid burning food, and do not hang anything on or cover the units.

Emergency Evacuation Location:
The grass field across Fraternity Circle
