## RESIDENTIAL LIVING & LEARNING

# STETSON COVE

## WELCOME TO STETSON COVE

Stetson Cove is a university-owned and operated, four building on-campus apartment complex located a twelve-minute walk or a five-minute bicycle ride from the heart of campus. The Animal-Friendly complex contains apartments with two layouts; one shared-bedroom or two individual-bedroom.

## TEST YOUR ACCESS

Residents are issued one hard key to gain entry to their apartment, bedroom and the laundry rooms. If you have trouble with your key accessing these spaces, contact our office at 386-822-7201.

## SECURE YOUR SPACE

Help create a safe space for you and your fellow residents by ALWAYS locking your door and reporting suspicious behaviors to your RA, Residential Life Coordinator or Public Safety.

If you lose your key, visit the RL&L office ASAP to request a replacement. A lock change will be completed and residents will receive new keys to their apartment.

## COMMON SPACES

Common spaces are great for studying, hanging out with friends, or just relaxing in between classes! Every apartment comes with a living room with comfortable seating, a coffee table and a dining table set. The complex offers all the conveniences and amenities one would expect from on-campus housing, including a courtyard with tables and seating, a sunshade for the warm Florida weather, a grill and a fenced animal recreation area.

## APARTMENT KITCHEN

Each apartment comes with a full kitchen including a full-size refrigerator, stove top, oven, microwave and spacious cabinets. Be sure to add cooking utensils, pots and pans, dishware, drinking glasses and cutlery to your packing list. Cleaning the kitchen is the responsibility of the residents, so be sure to include cleaning supplies!

## COMMUNITY LAUNDRY

Laundry is free to campus residents! The laundry room contains multiple washers and dryers to support your community and are located on the first floor of buildings 1 and 4.

## APARTMENT BATHROOMS

Stetson Cove apartments are equipped with either a full bathroom or a full and half bathroom. Residents are responsible for cleaning their apartment bathrooms, so it is important to talk with your roommates about keeping your space clean and creating a cleaning plan or schedule.

## TRASH/GARBAGE

The facilities staff work hard to keep your building and common spaces clean and free of trash and debris. Please do your part by not leaving trash or boxes in the hallway or community bathrooms. All Hatters should do their part to keep their residence halls clean and beautiful! Dumpsters/Compactors can be found at the north end of each parking lot.

## RECYCLING STATIONS

Every building/residential area is equipped with a recycling station outside. Bins are provided for plastic/cans and paper. Please be sure to breakdown all boxes so they can be easily collected by our facilities team!

## RESIDENT INTERNET

Our residential internet service is provided by myResNet, the premier provider of residential network wireless internet. Students can create an account and password to access the residential wifi network by visiting <https://stetson.apogee.us/> and sign in with your Stetson Username and Password. You can also request wifi support on this website and even chat with a service team member.

## MAINTENANCE REQUESTS

Our university facilities team handles requests for paint, maintenance, plumbing, electrical, custodial issues, and pest control within our residential buildings. Students can submit requests regarding these concerns by submitting a Maintenance Request online through [myStetson](https://myStetson.com).

## FIRE SAFETY

Every building is equipped with a fire alarm/alert system and our staff conduct fire drills every semester. These systems are sensitive, so avoid using aerosols near the detection units in your room, do not leave the kitchen if cooking to avoid burning food, and do not hang anything on or cover the units.

**Emergency Evacuation Location:**  
**The grass field across Pennsylvania Avenue**

## HELPFUL CONTACTS

**Residential Living & Learning - 386.822.7201**

**Hatter1 Card Office - 386.822.7782**

University Hall
