

STETSON UNIVERSITY

RESIDENTIAL LIVING & LEARNING

UNIVERSITY HALL

WELCOME TO UNIVERSITY HALL

University Hall is a two-story residential building, offering shared-occupancy rooms with private bathrooms. This building is a gender-inclusive and animal-friendly housing option with a spacious courtyard for animals to run off-leash.

TEST YOUR ACCESS

Your Student ID will grant you access to your community kitchen and laundry, your key will access your bedroom. If you have trouble with your key or access on your ID, contact our office at 386-822-7201.

SECURE YOUR SPACE

Help create a safe space for you and your fellow residents by ALWAYS locking your door and reporting suspicious behaviors to your RA, Residential Life Coordinator or Public Safety.

If you lose your key or Student ID, visit the RL&L office ASAP to request a replacement. We can disable your Student ID until a replacement is provided.

COMMON SPACES

Common spaces are great for studying, hanging out with friends, or just relaxing in between classes! The community lounge in University Hall is located on the first floor across from the main staircase. The lounge offers comfortable seating, a large TV, board games, and a spacious table for working on projects and studying.

COMMUNITY KITCHEN

Your community kitchen offers a spacious bar counter and stools and is located in the University Hall lounge. Please keep in mind that your fellow Hatters use this space, so be sure to clean up after yourself! You should always label food you store in the community fridge with your name or room number.

COMMUNITY LAUNDRY

Laundry is free to campus residents! The laundry room contains multiple washers and dryers to support your community. Your laundry room is located on the first floor next to the University Hall lounge.

PRIVATE BATHROOMS

Each bedroom in University Hall includes a private bathroom shared by the residents of the room. Cleaning of private bathrooms is the responsibility of the residents assigned to the room, so be sure to bring your cleaning supplies!

TRASH/GARBAGE

The facilities staff work hard to keep your building and common spaces clean and free of trash and debris. Please do your part by not leaving trash or boxes in the hallway or community bathrooms. All Hatters should do their part to keep their residence halls clean and beautiful! The University Hall dumpster can be found on west end of the parking lot near Pennsylvania Avenue.

RECYCLING STATIONS

Every building/residential area is equipped with a recycling station outside. Bins are provided for plastic/cans and paper. Please be sure to breakdown all boxes so they can be easily collected by our facilities team!

RESIDENT INTERNET

Our residential internet service is provided by myResNet, the premier provider of residential network wireless internet. Students can create an account and password to access the residential wifi network by visiting <https://stetson.apogee.us/> and sign in with your Stetson Username and Password. You can also request wifi support on this website and even chat with a service team member.

MAINTENANCE REQUESTS

Our university facilities team handles requests for paint, maintenance, plumbing, electrical, custodial issues, and pest control within our residential buildings. Students can submit requests regarding these concerns by submitting a Maintenance Request online through [myStetson](https://myStetson.com).

FIRE SAFETY

Every building is equipped with a fire alarm/alert system and our staff conduct fire drills every semester. These systems are sensitive, so avoid using aerosols near the detection units in your room, do not leave the kitchen if cooking to avoid burning food, and do not hang anything on or cover the units.

Emergency Evacuation Location:
Parking lot across Pennsylvania Avenue
