RESIDENTIAL LIVING & LEARNING

University Village Apartments

WELCOME TO UVA

University Village Apartments (UVA) is a university-owned and operated, six-building on-campus apartment complex located on the southeast side of campus. Apartment layouts include a two-bedroom two-bathroom and a four-bedroom two-bathroom, all with individual bedrooms and full beds.

TEST YOUR ACCESS

Residents are issued one hard key to gain entry to their apartment and bedroom. Their Student ID will gain entry to the laundry room and clubhouse. If you have trouble with your key or ID accessing these spaces, contact our office at 386-822-7201.

SECURE YOUR SPACE

Help create a safe space for you and your fellow residents by ALWAYS locking your door and reporting suspicious behaviors to your RA, Residential Life Coordinator or Public Safety. If you lose your key or Student ID, visit the RL&L office ASAP to request a replacement. We can disable your Student ID until a replacement is provided.

COMMON SPACES

Common spaces are great for studying, hanging out with friends, or just relaxing in between classes! Every apartment comes with a living room with comfortable seating, a coffee table and a dining table set. The gem of the community is the Rinker Clubhouse providing residents with a full kitchen, classroom, study room, laundry room, and recreation lounge that includes a pool table.

APARTMENT KITCHEN

Each apartment comes with a full kitchen including a full-size refrigerator, stove top, oven, microwave and spacious cabinets. Be sure to add cooking utensils, pots and pans, dishware, drinking glasses and cutlery to your packing list. Cleaning the kitchen is the responsibility of the residents, so be sure to include cleaning supplies!

COMMUNITY LAUNDRY

Laundry is free to campus residents! UVA offers a large laundry room with multiple machines to support residents in the community. The laundry room is located in the Rinker Clubhouse.

UNIVERSITY VILLAGE APARTMENTS

APARTMENT BATHROOMS

All apartments at UVA are equipped with two full bathrooms. Residents are responsible for cleaning their apartment bathrooms, so it is important to talk with your roommates about keeping your space clean and creating a plan or schedule and don't forget your cleaning supplies as you pack your bags for your move to campus!

TRASH/GARBAGE

The facilities staff work hard to keep your building and common spaces clean and free of trash and debris. Please do your part by not leaving trash or boxes in the hallway or community bathrooms. All Hatters should do their part to keep their residence halls clean and beautiful! The trash compactor is located at the north end of the parking lot and the dumpsters are at the northwest and northeast corners of the complex.

RECYCLING STATIONS

Every building/residential area is equipped with a recycling station outside. Bins are provided for plastic/cans and paper. Please be sure to breakdown all boxes so they can be easily collected by our facilities team!

RESIDENT INTERNET

Our residential internet service is provided by myResNet, the premier provider of residential network wireless internet. Students can create an account and password to access the residential wifi network by visiting <https://stetson.apogee.us/> and sign in with your Stetson Username and Password. You can also request wifi support on this website and even chat with a service team member.

MAINTENANCE REQUESTS

Our university facilities team handles requests for paint, maintenance, plumbing, electrical, custodial issues, and pest control within our residential buildings. Students can submit requests regarding these concerns by submitting a Maintenance Request online through [myStetson](https://myStetson.com).

FIRE SAFETY

Every building is equipped with a fire alarm/alert system and our staff conduct fire drills every semester. These systems are sensitive, so avoid using aerosols near the detection units in your room, do not leave the kitchen if cooking to avoid burning food, and do not hang anything on or cover the units.
